

CURRICULUM VITAE

Name: Nicola M. Tauraso, M.D., F.A.A.P., F.R.S.H.

Date & Place of Birth: November 5, 1934, Peabody, Massachusetts

Citizenship: United States

Education:

1952- Graduated from High School

1956- B.S., Boston College, Chestnut Hill, Massachusetts (*Magna Cum Laude*)

1960- M.D., Harvard Medical School, Boston, Massachusetts

Board Certification:

Diplomate, National Board of Medical Examiners (#61765), 1962

Diplomate, American Board of Pediatrics (#11342), 1967

Brief Chronology of Employment:

- 1957-1959 — Summer Fellowships (from National Foundation, Harvard Medical School and Protein Foundation) to work with Drs. John F. Enders, Charles A. Janeway, and Louis Dienes of Boston, Massachusetts
- 1960-1961 — USPHS Research Fellow, House of Good Samaritan, Children's Hospital Medical Center, Boston, Massachusetts (Laboratory of Dr. Charles A. Janeway)
- 1961-1962 — 1st year Pediatric Resident, Dept. Pediatrics, Bellevue Hospital Medical Center, New York City
- 1962-1963 — 2nd year Pediatric Resident, Dept. Pediatrics, New York University - Bellevue Hospital Medical Center, New York City
- 1/64-6/65 — Research Associate, National Institute of Allergy and Infectious Diseases, NIH (Surgeon PHS)
- 7/65-6/66 — Research Associate, Division of Biologics Standards, NIH (Surgeon PHS)
- 7/65-1/66 — Staff Member, DBS, NIH (Surgeon PHS)
- 5/66-6/70 — Ass't Chief Resident in Pediatrics, Children's Hospital of The District of Columbia
- 6/66-3/68 — Consultant, Department of Medicine, Children's Hospital of The District of Columbia Medical Officer (Research, GS-13), Head, Immunoserology Unit, Laboratory of Virology and Rickettsiology, DBS
- 3/68-10/70 — Medical Officer (Research, GS-14)
- 10/70-7/72 — Acting Chief, Laboratory of Virology and Rickettsiology, DBS
- 7/72-9/72 — Medical Officer (Research, GS-15), Chief, Laboratory of Virology and Rickettsiology, DBS
- 9/72-1/80 — Medical Officer (Research, GS-15), Special Assistant to Director, Bureau of Biologics, FDA
- 1/78-7/86 — Private Practice of Pediatrics, Frederick, Maryland
- 1/79-7/86 — Director, The GOTACH Center for Health, Frederick, Maryland
Founder, Director, Awaken the Genius in Your Child Positive Attitude Training Camps for Children and Young Adults
- 1/80-1986 — National lecturer on stress, holistic healing, nutrition, Awaken the Genius in Your Child, and related topics.
- 12/86–date — Owner, Tauraso's Ristorante, Frederick, Maryland

05/03-date -- Private Practice of Allergy, Nutrition, and Environmental Medicine

Military Service:

1963-1966 — Commissioned Officer, USPHS, NIH, Bethesda, MD

Medical Licensure

New York State (#87893) registration current

Maryland (#D11324) 9/16/66 – 9/30/91; 05/05/03 -- date

Societies:

New York Academy of Sciences, 1958-1972

Boylston Medical Society, 1959-date

American Society for Microbiology, 1960-1972

American Association for the Advancement of Science, 1967-1972

American Academy of Pediatrics (Fellow). Oct 16, 1968-date

Society for Experimental Biology and Medicine, 1969-1972

American Society of Tropical Medicine and Hygiene, 1971-1972

Royal Society of Health (Fellow) (#8791F), 1971-date

Pan American Medical Association (Diplomate Member, Section on Pediatrics), 1972-date

Frederick Medical Society, 1972-1977

American Holistic Medical Association, 1978-date (Maryland State Coordinator, 1981-1987; Board of Trustees, 1983-1987)

American Academy of Environmental Medicine, 2003-date

Honors & Other Special Scientific Recognition:**College:**

Dean's List

Alpha Sigma Nu Honor Society (Secretary)

Cross and Crown Honor Society

Medical School:

Aesculapian Club

Boylston Medical Society (Secretary)

Others:

Associate Member, Commission on Influenza, Armed Forces Epidemiological Board, 6/69-6/71-6/73

Member, Arbovirus Ad Hoc Committee, Research Resources Branch, National Institute of Allergy and Infectious Diseases, NIH, 1970-72

Personalities of the South, 1970 Edition, American Biographical Institute, News Publishing Company, Raleigh, North Carolina

American Men and Women of Science, Physical and Biological Sciences, 12th Edition, Volume 6, p. 6299, 1973

Pan American Medical Association, Vice President Section on Pediatrics

Research Interests:

Biology, pathogenesis, immunology and serology of viruses and virus infections: safety, efficacy and standardization of viral and rickettsial vaccines.

Study of the human body's intrinsic healing power: an evaluation of man's mental and spiritual control over his own physical body, his environment, and his life in general.

Summary of Current Civic Activities:

4-H: Organizational and Project Leader, Taurus Estates 4-H Club, 1973-1979 Superintendent, Frederick County 4-H Horse and Pony Project, 1976-1980

March of Dimes: Member of Board of Directors and Chairman, Medical Advisory Committee, 1974 to 1980

Lung Association of Mid-Maryland: Member of Board of Directors, 1977-1980

East West Foundation: Scientific Advisory Board, 1981- 1986

National/Local Presentations:

In addition to giving approximately 200 eight-hour seminars (on *Career Stress & Burnout*; *Holistic Healing*; *Nutrition*; and *Awaken the Genius in Your Child and You*) yearly, and giving two to three week-long summer school/camps for children on *Awaken the Genius* each summer, Dr. Tauraso has also participated as a speaker and/or presented a workshop at the following national/local meetings:

Spiritual Frontiers Fellowship Annual Meeting, Philadelphia, PA, May 1979
Spiritual Frontiers Fellowship Retreat on Peace held at Carleton College, Northfield, MD, June 1980
New Jersey Dental Association Annual Meeting, Atlantic City, NJ, 3 May 1982
Pennsylvania Natural Living Convention, Allentown, PA, 7 August 1982
Meadow Fresh Farms Regional Meeting, Harrisburg, PA, 3 September 1983
International Health Fair, Dallas, TX, 21-23 October 1983
International Health Fair, Washington, DC, 19-20 November 1983
Whole Life Times Expo, New York City, 25-27 November 1983
National Health Project Health Horizons Expo, Washington, DC, 3-4 March 1984
Whole Life Times Expo, San Francisco, CA, 7-8 April 1984

Films:

1983-1. *The Human Computer: Programming the Subconscious*, Nicola Michael Tauraso, M.D., Narrator, The Hartley Film Foundation, Cos Cob, Connecticut, 1983 release.
